Future Proposals

- International Space Station
- Al Maktoum International Airport
- South-To-North Water Transfer Project
- California High-Speed Rail
- Dubailand
- London Crossrail Project
- Beijing Daxing International Airport
- Ziyad II Development
- Hong Kong-Zhuhai-Macao Bridge
- High-Speed Railway, California
- Chuo Shinkansen, Japan
- Great Man-Made River Project, Libya

Dean Interface

College Deans

Scott Ashford

"Scott Ashford is Dean of the College of Engineering brings experience in both higher education and industry to this leadership position. After graduating from Oregon State with a degree in civil engineering, he worked in private industry for seven years — mostly with CH2M HILL — and then earned his Ph.D. from the University of California at Berkeley"

Roy Haggerty

"Roy Haggerty is Dean of the College of Science and Professor of Environmental Geology. He most recently served as Associate Vice President for Research and previously as Interim Dean of the College of Earth, Ocean and Atmospheric Sciences (CEOAS)."
